FROM THE PASTOR'S DESK

Born To Reign

- Pastor Cal Lawanson

"You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled by men." MATTHEW 5:13

You are relevant to this world. You were created to be a sweet spice to the world around you.

The day you got born again, a higher ability was given to you by heaven to be impactful. Many have neglected their relevance because they had a sour experience of some sort. They see themselves as damaged goods that no one will be interested in. Even though everyone knew what you used to be and what you used to be called, you have decided that you are not worth the lime-light on the stage of life. The good news is you've not lost yet. You may be damaged but you are not broken beyond repair.

welcome

1. We welcome all our first timers to Wisdom Assembly today. We believe that you will be blessed by coming and we hope to see you again soon. If you need a home Church, this is the best place to be and to grow. See back of bulletin for service times and Church info.
2. We would love to have you on our team. If you are willing to use your talents for God, in any area, please contact one of the ushers.

The truth is that it is when you decide to neglect or decide not to see your God given ability and capacity, then you have no reason to arise and shine. You can't be making a minimum of your life and let everyone around you pity you. You were created with maximum substance to

"You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled by men."

- MATTHEW 5:13

make maximum impact and rewrite your own future.

It's time for you to come out of darkness into light, its time to let everyone know you are around and available. Come out of "I'm okay the way I am" - No, you are not! Be

determined to set a standard and a higher one at that. YOU ARE DESTINED TO LIVE AN OUTSTANDING LIFE!!!!

NEED A RIDE TO CHURCH???

Please call **Bro Ade Orekoya** on **913-638-3614** at least 24 hrs prior to the service.

Jesus tells a story about the way the kingdom works. He

describes a master that entrusts a bag of gold to each servant and then goes away on a long journey. He is obviously talking about God His Father and the gifts and talents that God distributes to all of us. Right in the middle of this story is a key to the value of life.

Matthew 25:29 NIV

"For whoever has will be given more, and they will have an abundance. Whoever does not have, even what they have will be taken from them."

It seems strange that the person who hid their masters gold in the ground ended up losing it all together. It went to the person who already had the most, and now they have even more. And the one who had the

MORE OR LESS...

least now has even less.

What you do with what

you have will determine what you have to do!

The lesson here is that life is so very precious. It is a gift from God. We all have different gifts and talents but the issue is whether we value the life we have been given.

Will we use the gift of life? Will we put to use and act on all the things God continually shows us? To not live out the days God has given us is to bury our treasure in the sand.

To live the life God gives us produces more life but to hide the life God gives us is to slowly end up with less.

Life really is more or less!

Just for laughs

A small child with a bad cough was taken by her parents to a hospital emergency room. A nurse, examining the child's lungs with a stethoscope, told the child, "I have to see if Barney is in there." "I have Jesus in my heart," the child replied. "Barney is on my underwear."
